## **DETAILED ACTION**

### **Remarks**

1. In response to communications files on November 10, 2006. Claim 2 is cancelled by applicant's request. Therefore, claims 1 and 3-23 are presently pending in the application.

### ***Reasons for Allowance***

2. Claims 1 and 3-23 are allowed

3. The following is a statement of reasons for the indication of allowable subject matter: the prior arts of records, neither anticipates nor renders obvious the following limitations as claimed:

As to claims 1, 12, and 21-22, the prior art of records fail to anticipate or suggest a method, a system, and a computer readable medium of translating translatable components in a structured file, comprising:

(i) parsing said structured file to identify said translatable components and a source language, wherein said structured file includes an identifier prior to said parsing, and wherein said identifier identifies each of said translatable components;

(ii) effecting translation of said identified translatable components from said source language to a selected destination language so as to generate corresponding translated components; and

(iii) generating a new translated file having substantially the same structure as said structured file and having said translated components in place of said translatable components, together with the other limitations of the independent claims.
